ABANDONMENT OF PLAY DUE TO BAD WEATHER CONDITIONS

If extremely bad weather conditions should cause play to be abandoned during an Association fixture, the following rules shall apply:

Lucy May and Bays Bronze - if play is abandoned during the Best Ball (if in the morning) there will be no result. If play is suspended during singles matches and all players have played at least nine holes, we can have a result, otherwise the fixture shall be declared **no contest** and abandoned for that year. Badges will be awarded to those selected and present on the day.

Interzone – if play is abandoned, all stableford points scored up to the time of abandonment will count. Badges will only be awarded if the whole field has completed 18 holes.

Champion of Champions – if play is abandoned, trophies will be awarded for 18 or 27 holes, whichever has been completed by the last players in the field. If less than 18 holes have been completed, the event is to be abandoned for that year.

Gross Stableford Rosebowl – if play is abandoned, no winners can go forward for the National event, but District prizes will be awarded if 18 or 27 holes have been completed.

Ashcott, Pennant, Crossman/GF Matches (including semis and finals). All matches to have completed at least nine holes for a result, otherwise no contest and match to be rescheduled.

THE DECISION TO ABANDON PLAY WILL BE MADE BY:

Lucy May and Bays Bronze - Zone Representatives from Northern, Central, Southern and the Host Captain

Interzone – Zone Representatives and the Host Captain. The Host Captain will have a casting vote if required.

Champion of Champions and Gross Stableford Rosebowl – The Convening Committee and the Host Captain.

Ashcott, Pennant, and Crossman / GF Matches

Preliminary rounds - the Club Captains involved, by mutual agreement.

Semis and Final – Convener of the day, Host Captain and team Captains if available.

PLAYING BY THE RULES 2019

1. Those of us who play the game of golf should all be playing by the same Rules, at whatever level we play. We all have access to the latest edition of the Rules of Golf, which we should carry in our golf bags. Some people see the Rules as a series of penalties for those who breach them, but they are also the golfer's bill of rights and there is nothing unsporting about using them to your advantage.

2. The Committee should refer to the book "Official Guide to The Rules of Golf" when setting the Terms of The Competition. These Terms are outlined in the **Official Guide to the Rules of Golf** under **Section; "Committee Procedures."** Many disputes arise because the Terms of Competition have not been spelled out in detail. These should include:

- a. The form of play
- b. Who is eligible to enter
- c. The number of players
- d. The scheduling of rounds
- e. How a tie is to be resolved
- f. Committees may in the Terms of The Competition include The Model Local Rule

H-2. Appointment of Advice Giver in Teams Competition:

"Each team may name one *advice* giver whom players on the team may ask for *advice* and receive advice during the *round*. The team must identify each advice giver to the *Committee* before any player on the team begins his or her *round*.

[The team may change its advice giver during the *round*, but must tell the *Committee* when it is doing so.]

[The advice giver must not point out a *line of play* [or walk on the *putting green*] when the ball of a team player lies on the *putting green*.]"

The Rules of Golf recommend that certain specific Rules governing stroke play are so substantially different from those governing match play that combining the two forms of play is not practicable

Section 6C "Providing Rules Assistance to Players" deals with Disputes and Decisions and other situations that occur during a Competition and should be carefully studied by the Committee.

3. Don't presume that information given to you by other players is correct – if you are not sure look it up. Rules are not hard to find quickly if you use the Contents and the Index in **Player's Edition of The Rules of Golf 2019** or the full edition **Rules of Golf 2019**.

4. The general penalties in golf are 2 strokes in stroke play and loss of hole in match play but 1 stroke penalties apply to both forms of play and you should know what they are for. Many holes and matches have been conceded because players presume the penalty is always loss of hole. These 1 stroke penalties for breaches of Rules are printed in red in The Full Rules of Golf and are as follows:

- * 4.2c Ball Becomes Cut or Cracked While Playing Hole
- * 5.6a Unreasonable Delay; Prompt Pace of Play (First Breach)
- * 7.3 Lifting Ball to Identify It
- * 9.4b Penalty for Lifting or Deliberately Touching Ball or Causing It to Move
- * 9.5b Penalty for Lifting or Deliberately Touching Ball or Causing It to Move (Full Rules)
- * 9.7b Penalty for Lifting Ball-Marker or Causing It to Move
- * 13.3a Ball Overhanging Hole (Full Rules)
- * 14.1a Spot of Ball to Be Lifted and Replaced Must Be Marked
- * 14.1b Who May Lift Ball (Full Rules)
- * 14.1c Cleaning Lifted Ball
- * 14.3b(3) Ball Must Be Dropped in Relief Area (Full Rules)
- * 15.1a Removal of Loose Impediments (Full Rules)
- * 15.1b Ball Moved When Removing Loose Impediments
- * 15.3b(2) When Relief is Allowed from Interfering Ball
- * 16.4 Lifting Ball to See If It Lies in Condition Where Relief Allowed
- * 17.1d Relief for Ball in Penalty Area
- * 17.2a When Ball Played from Penalty Area Comes to Rest in Same or Another Penalty Area
- * 18.1 Relief Under Stroke and Distance Allowed at Any Time (Full Rules)
- * 18.2b What to Do When Ball is Lost or Out Of Bounds
- * 19.2 Relief Options for Unplayable Ball in General Area or on Putting Green
- * 19.3a Relief Options for Unplayable Ball in Bunker (Full Rules)

5. **ADVICE:**

Please remember that only caddies may give advice in singles match play. Team captains may not advise team members during interclub matches such as Ashcott and Pennant matches. If you have an inexperienced player in your team see that she has an experienced caddy. Ensure players playing in single matches realize they are not permitted to give their team mate any advice, apart for information on the Rules, distance or matters of public information, such as the position of Penalty Areas, Bunkers and the flagstick on the putting green which is not advice.

6. **IMPORTANT:**

When ringing about a dispute please make sure that you have all the facts at your disposal before you ring. Speak to all players who were involved or were present at the time, and get both sides of the story. It is difficult to make the correct decision if all the relevant information is not available.

Encourage your members to do the Rules course, which is run each year by the local Golf Referees' Association. This is especially important for members of your Match Committee. We recommend that you use the Full Rules of Golf Book. Effective January 2019.

Please feel free to phone the Hawkes Bay Golf Referees Association at any time for advice or information on the Rules.

HAWKES BAY PENNANTS

- 1. Format:** A **Round Robin** competition between Hawke's Bay clubs situated in the **Central and Southern Zones**. Clubs may enter more than one team:

A Team consists of 8 players Handicap index 0-40.4.

All matches in the competition will be one round (18 holes) **match play on handicap**. In addition, teams will play handicap four-ball match play in conjunction with the singles match play. Handicap Strokes are given/taken on the stroke holes according to the handicap difference between the players and the lowest net score wins the hole. Players in each team must play in handicap order, e.g. Player A has a course handicap of 26, Player B has a handicap of 30 so player B gets one shot on the first four stroke holes.

- 2. Participating Teams:** All Hawkes Bay Clubs within the Central and Southern Zones may field a team. If a club has insufficient numbers of players to make up a team but there are players in the index range who wish to participate, they may be selected for the Combined teams.

If a club cannot field the required number of players to make up each index range as outlined in 1. above then players outside the range may play, but they must play off the course handicap corresponding to the maximum of each group of 4.

Club Captains must confirm numbers of teams they will enter for each division to GHB&PBW Association Women's President by **30 November**.

- 3. Players:** Substitutes from the same club are permitted if numbers cannot be made up from a team's reserves. Team captains will be responsible for finalising their teams for each round.

Saturday players may also be selected for teams, but week-day players should take preference.

A player belonging to more than one Club must nominate which club she will represent prior to commencement of the competition.

In the event that a player's index changes to the extent that it is no longer within the range for her team, it is up to her team captain and/or club selector to decide whether to allow her to continue to play for that team or to replace her.

- 4. Convening Committee:** The Convening Committee will consist of the GHB&PBW Association Women's President and members of the GHB&PBW Women's Committee from Southern and Central Zones.
- 5. Dates / Venues:** Matches will be played on dates between **March and August** as stated in the Draws.

The host clubs may or may not play, depending on the Draw. The host clubs are responsible for organising:

- b. Starters
- c. Gathering the results and sending to the Association per details on results sheets.

6. Results: Game Scoring: win = 1 point; half = ½ point*; loss = 0 point.

*Games finishing all square after 18 holes shall be deemed halved.

Team Match Scoring: 2 points awarded to the team with the greater overall number of game points, 1 point for a half.

- a. The captain of each team is responsible for entering her team names, index, and course handicap on the results sheets.
- b. The side that has the honour at the first teeing ground is determined by the order of the draw.
- c. Captains must record the result of each match on their own results sheets, and must sign both their own and the opposing team's result sheet.
- d. On completion of the competition, the winning team of each division shall be determined by the number of points amassed by each team during the competition. In the event of a tie between teams, the winning team will be the tied team with the most individual game points. If a tie remains, the winning teams will hold the cup for 6 months each.
- e. The Convening Committee will present the Cups to the winning team immediately after the last round has been played.

7. Motorised Vehicles: During play it is prohibited for a player to ride in or on a motorised vehicle, unless on the presentation of a medical certificate at each round, the Committee has provided the player with dispensation to use such transport. The penalty is loss of hole at each hole where a breach occurs, with a maximum penalty of 2 holes per round. A player may accept a ride from a tournament official in the interest of saving time. If a player incurs an injury during the stipulated round which would prevent her walking to finish her match the Committee would be justified in permitting the player to continue her round using motorised transport if available.

8. Courtesy: It is recommended that, as a courtesy to both fellow players and to the host club, players stay on after their games have finished until the results for the day have been announced.

9. Abandonment of Play: (Rule 5.7) The host club is responsible for nominating an individual (e.g. Club Captain) to be made available to make the decision whether to abandon play, due to inclement weather or any other reason. If all matches have completed 9 holes a result will be declared, based on the state of the matches of the holes completed at the time of abandonment. If all matches have not completed 9 holes

the round will be abandoned. The host Club Captain must contact the GHB&PBW Association Women's President to arrange another date on which to play the round.

10. The GHB&PBW "Hard Card" will be used for all tournaments run by the **Golf Hawkes Bay and Poverty Bay (Inc)** unless otherwise stated,
11. **A Pace of Play** (Rule 5.6) and Model Local Rule K-2 has been adopted for this Tournament. The maximum time allocated per stroke is 40 seconds.

Ten seconds extra are allowed for the first player to play:

1. A tee shot on a Par 2 hole
2. An approach shot to the green
3. A chip or putt

The pace of play will be strictly enforced.

The timing will start when a player has had sufficient time to reach the ball, it is her or her turn to play and he or she is able to play without interference or distraction. Time taken to determine distance and select a club will count as time taken for the next stroke.

On the putting green, timing will start when the player has had a reasonable amount of time to lift, clean and replace the ball, repair damage that interferes with the line of play and move loose impediments on the line of play. Time spent looking at the line of play from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

Timings will be taken from the moment it is decided by the referee that it is the player's turn to play and he or she is able to play without interference or distraction.

If a group is out of position the recommendation of Model Local Rule K-2 will be applied.

- | | |
|-------------------------------------|--|
| • Penalty for first breach: | Verbal warning from referee. |
| • Penalty for second breach: | One stroke penalty. |
| • Penalty for third breach: | General penalty applied in addition to the penalty for the second breach. |
